Great Teaching is About Passion

Attend Quantum Learning for Teachers Public Workshop

June 22-26, 2009
August 3-7, 2009

QLN Campus
1938 Avenida del Oro
Oceanside, CA 92056

Quantum educators have more fun, infuse more passion, and get significantly better student results than their peers!

More than 40,000 Quantum educators will tell you Quantum Learning is the educational model that sparks the genius in every child and readies them to excel in our world.

Who Should Attend:

- K-12 Teachers
- Title 1 Coordinators
- Administrators
- GATE Instructors
- Special Ed. Instructors
- Counselors
- Adult/Vocational Ed. Specialists

AHA! ... It Works!

Quantum Learning is a synergistic approach to the learning process, integrating best educational practices into a unified whole. It has been proven to increase student achievement and improve attitudes toward learning.

And, by the way – Quantum Learning helps bring passion and fun back to teaching.

“In my 23-year career as both a teacher and administrator, Quantum Learning is the most effective professional development program I’ve ever seen ... When teachers and students get excited, I know we’ve stumbled onto a good thing.”

~Kenny Jones, Principal
Parkside Elementary
Powell, WY
