

Quantum Learning for Teachers 5-Day Public Workshops

It Works!

Quantum Learning helps bring passion and fun back to teaching. It works because QL-trained teachers learn the how and the why from top facilitators who model effective QL classroom methods throughout the workshop. Teachers leave our programs with tools they understand and know how to use in their classrooms. As a result, students with QL teachers attain higher achievement levels and gain improved attitudes toward learning.

When: June 27 – July 1, 2011 -or-
July 25-29, 2011

8:30 am – 3:30 pm each day
Registration on Day 1 at 8:00 am

Where: QLN Campus, 1938 Avenida del Oro,
Oceanside, CA 92056

Cost: \$695 for the full five days (save \$100 versus
the daily rate)
\$160 per person, per day (if attending
fewer than 5 days)

Studies show after Quantum Learning

- 100% reported being better teachers
- 94% reported more awareness of students' learning styles and needs
- 86% reported making more meaningful connections with students
- 83% reported raising their personal teaching standards
- 88% take more risks in teaching

Learn key strategies to increase student achievement:

- Master powerful ways to motivate your students
- Create an engaging brain-compatible learning environment
- Learn how to use music in the classroom to enhance academic results
- Deliver effective presentations and elicit more participation
- Design dynamic lessons and implementation plans

Rigorous research:

- Positive impact on student achievement in 18 schools in four states
- 100% of teachers reported being more effective
- After Quantum Learning, students' grades increased by 35%

Who should attend:

- K-12 Teachers
- Title 1 Coordinators
- Administrators
- GATE Instructors
- Special Ed. Instructors
- Counselors
- Adult/Vocational Ed. Specialists

Amy Smith – QLT Senior Instructor

Amy Smith has been working with teachers, students and parents as an instructor and trainer for Quantum Learning Network for five years. She has trained teachers in QLT program and workshops all across the United States and has worked with parents and students both in the U.S. and abroad.

Prior to joining QLN, Amy was an elementary school classroom teacher. In her first year of teaching, Amy was nominated for Teacher of the Year. Amy obtained her Bachelor's degree in Education from the University of Nevada - Las Vegas.
