

## SuperCamp Preview Night

Find out how your son or daughter will benefit from attending SuperCamp this summer

SuperCamp's 10-day residential summer camp program develops learning and life skills in a positive, dynamic and fun way. Our proven Quantum Learning<sup>®</sup> methods are being used by teachers in over 30 states, and have impacted more than two million students.

This summer, SuperCamp will be held at eight U.S. colleges, including three locations in California: Cal State San Marcos, Stanford University and Claremont Colleges.
